---

the game even more. • A new method of fighting. Select and use the best combination of weapons and magic to fight the enemy in a variety of unique battle situations. • Uncover the mystery of the fascinating Lands Between. Explore the world of the Lands Between in order to find answers and a way to the future. • An ambitious story. Since the beginning, a multilayered story about the Lands Between has been continuing, but each layer has now been revealed. Gameplay adventure game ELDEN RING game: a) A new method of fighting • Innovative Touch battle system When you attack, your whole body will be controlled by a multitude of attacks and special abilities. • A special combat. • A variety of attacks and special abilities.

### **What's new:**

**It is a fantasy action RPG that brings together over 1,700 characters, 100 enemies, and countless spells. After 30 hours or more of nonstop battles, you can enjoy quests filled with a story woven with an authentic flavor. Jump across vast land, overcome all kinds of enemies in the dungeons, and build your own character!\***

**\*Characters created via Create-a-character and characters who join after launch will be bound to Create a Game prior to launch. Some limitations apply; see below for details.**

**\*Open Field Exploration and Dungeon Travel Exploration for now is limited to open fields of specific ranges. In the future, we intend to open the world map to the users. Through the newly designed "Offline Run," you can also travel to the various dungeons in the world. • Three-Dimensional Space The three-dimensional game environment allows moving around freely. The enemies and the dungeons are placed in a three-dimensional space. There is no battle that resembles fighting on an imaginary plane.**

**• Customizable and Dynamic Characters Create a Game lets you freely change stats such as strength, agility, defense, and intelligence. You can further customize characters to form a team that appeals to your sense of balance. You can freely design your own appearance.**

**• Multiple Attachments Do various things using magic. Use it to inflict monsters with status ailments, or throw spells to deceive enemies.**

- 
- **Customizable and Refined Attack** What you face is calculated based on the status of your enemy. In addition to the normal straight-up attack, it is possible to use combos with automatic attacks and even fight-type actions.
  - **Suitably-Refined Super Skills** You can select super attacks that inflict massive damage and inflict status ailments at the same time.
  - **High Quality, Easy to Use, and Fun Action Combat** By assessing the state of your surroundings and your enemy before using a super skill, you can prioritize the order of attacks and arrive at the most desirable outcome. The combat interface is designed to be easy to understand and easy to play.
  - **Magic Battle System with a Unique Dynamic Chart** Explore the magic system from a novel perspective by playing a game of probabilities. Consider the weaknesses of your

**ro Ishihara is a Japanese politician of the Liberal Democratic Party, a member of House of Councillors in the Diet (national legislature). A native of Kudan and Makura, Kanagawa and graduate of the University of Tokyo, he was elected to the House of Councillors for the first time in 2000, beating incumbent member Takami Tachibana of the Japanese Communist Party. Life and career Born in Kudan, Kamakura, son of an architect, Ishihara was admitted to the University of Tokyo. He graduated with a degree in architecture in 1976. After working for a period as an architect in the North-West Area, Ishihara became a member of the Kanagawa Prefectural Assembly in 1992, representing the for the Liberal Party. He was elected to House of Councillors for the first time in 2000, defeating the incumbent member of Japanese Communist Party, Takami Tachibana, with 37,194 votes. In March 2014, Ishihara was arrested during a protest against the Japanese government's response to Fukushima nuclear disaster, called the March 11 movement.
