Age of Empires III HD (Portuguese: Age of Empires III HD: Os Reinos dos Idade Imaginário) is the latest part of a series of strategy games based on Age of Empires III. The game is developed by the Ensemble Studios, one of the creators of the original Age of Empires. In the game, the players will guide their empires throughout several ages of the history of humankind. The last part of this saga was released back in 2007. Now the developers add to the storyline the achievements of the African and other colonies. The game now has three different campaigns, in which the player has to fight over the control of the map.
